My Resources

The image shows a dashboard interface with a light orange header. The main content area is divided into four colored cards: a light blue card for 'Choose and Create' (highlighted with an orange border), a light purple card for 'AI Assistant', a light blue card for 'Reuse Library', and a light blue card for 'My Resources'. Each card has a small icon and a sub-header. The 'Choose and Create' card includes the text 'Generate your resources as per curriculum'.

4

Select the class for which you want to create a worksheet.

Select Your Class
Curate your curriculum and manage resources.

Class 4
Curriculum Track

The screenshot shows a user interface for selecting a class. The title is "Select Your Class" with the subtitle "Curate your curriculum and manage resources." There are four class options, each in a colored rounded rectangle: Class 1 (purple, with a graduation cap icon), Class 2 (teal), Class 3 (pink), and Class 4 (light blue). All are labeled "Curriculum Track". Class 1 is highlighted with an orange border.

5

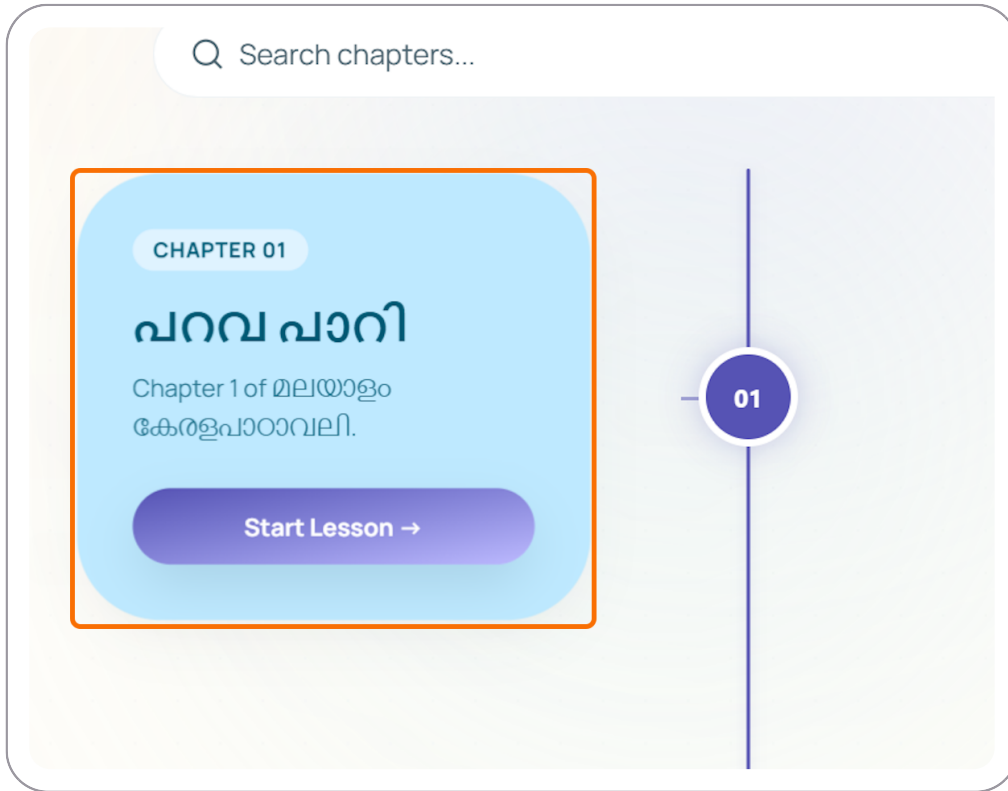

Select the subject for which you want to create a worksheet.

Class 1 — Subjects

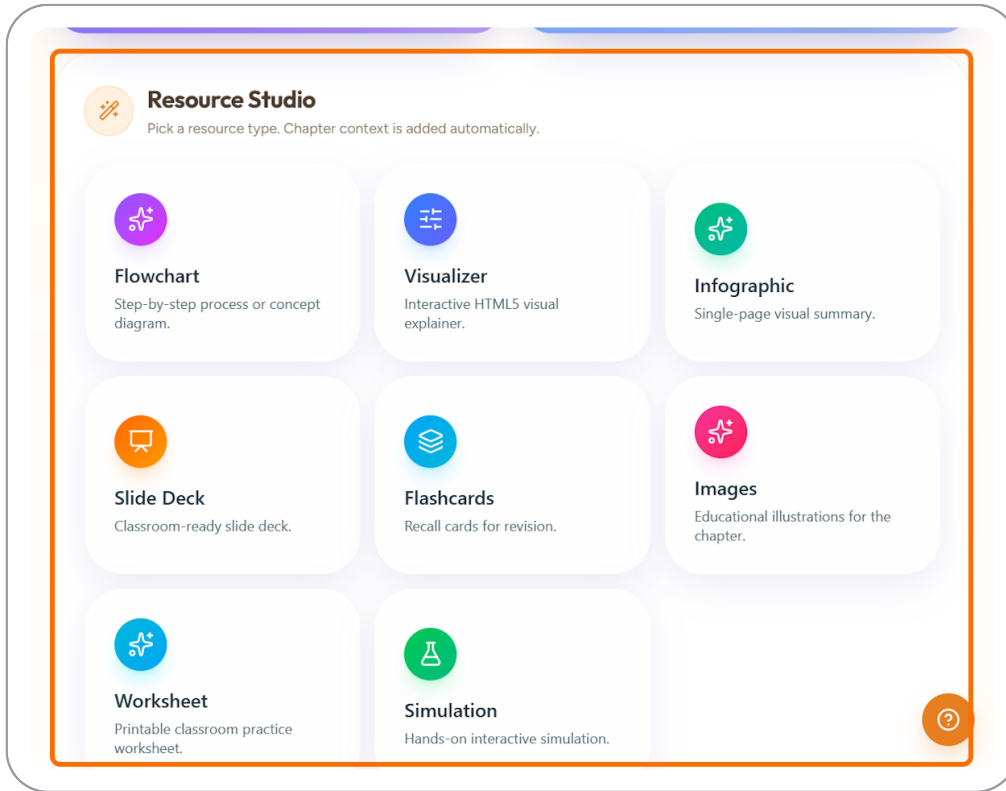

**മലയാളം
കേരളപാഠാവലി**
16 chapters

English
10 chapters

- 6 Select the chapter for which you want to create a worksheet.

7 Scroll down to see the Resource Studio section.

8

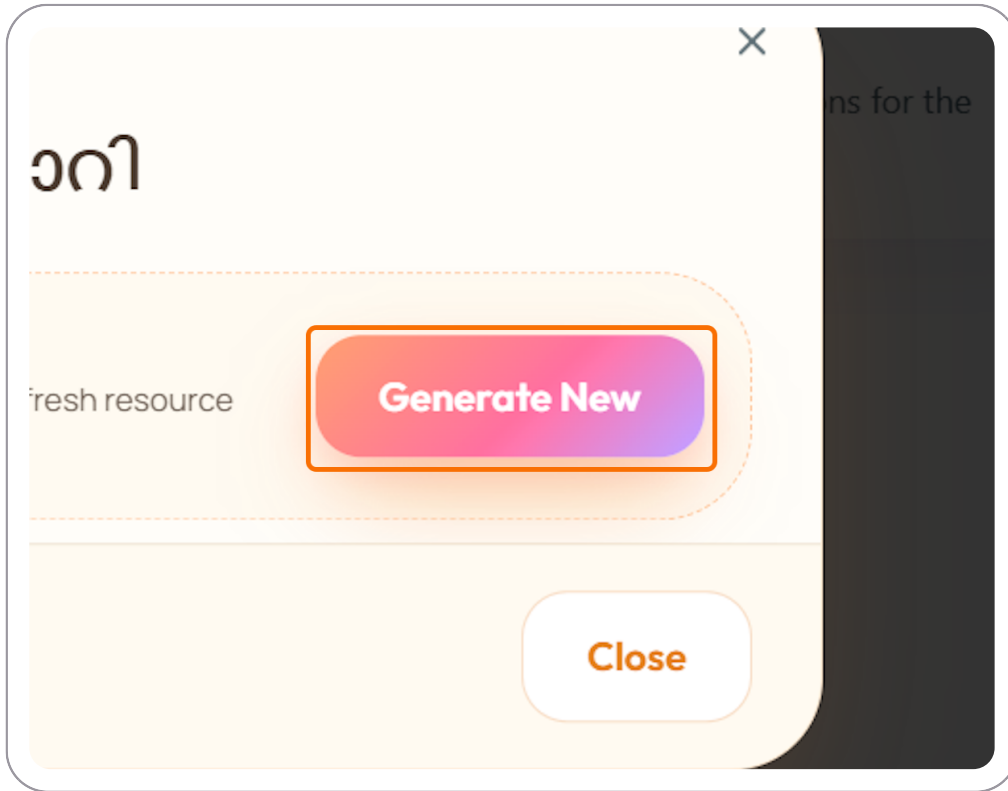

Click on Worksheet...

The image shows a grid of four resource cards under the heading "Your Resources for this Chapter". The cards are:

- Slide Deck**: Classroom-ready slide deck.
- Flashcards**: Recall cards for revision.
- Worksheet**: Printable classroom practice worksheet. (This card is highlighted with an orange border.)
- Simulation**: Hands-on interactive simulation.

At the bottom of the grid is a blue bar with the text "Your Resources for this Chapter".

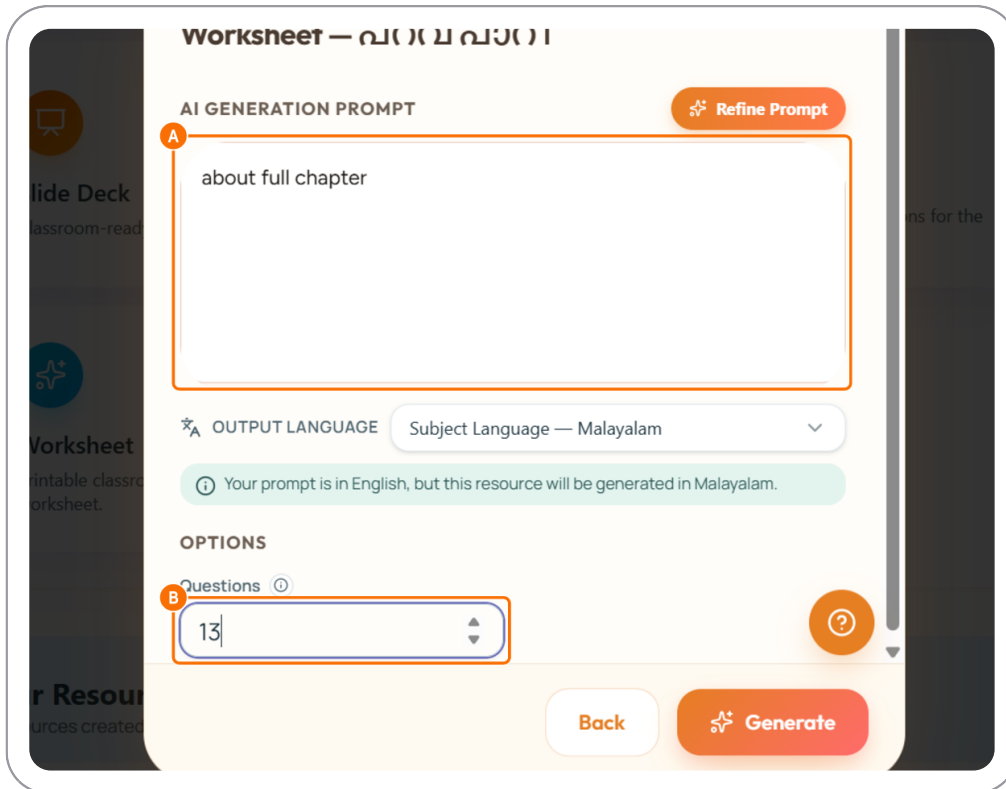

9 Click on Generate New

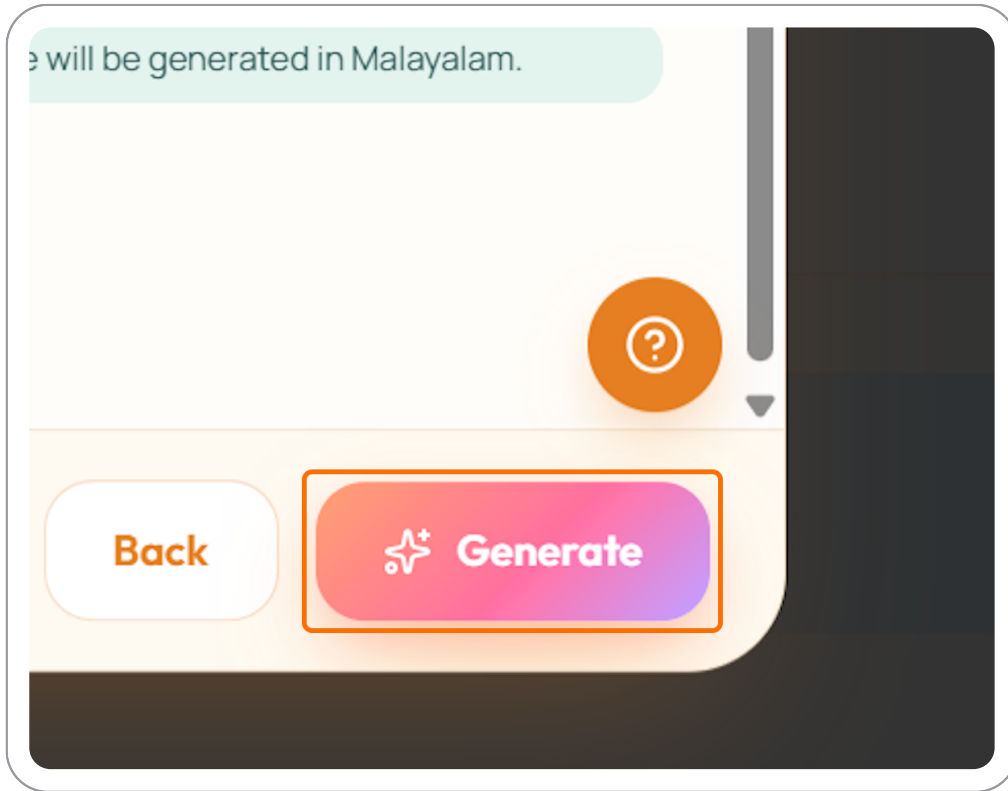

10
